Certificate II in Hospitality ^	Assessment ongoing throughout the term as directed by the teacher										Assessment ongoing throughout the term as directed by the teacher											

Should students require an extension due to illness or another unavoidable situation, they should speak with the appropriate HOD who will contact home to discuss.

If students know they will be absent for a due date, they must complete or submit assessment **before** the due date and organised with the appropriate HOD.

*Practical subjects have an ongoing practical component and students need to be present most lessons as they will have multiple opportunities to learn, practice and demonstrate skills.

^Certificate courses require students to be completing ongoing assessment throughout the duration of each term monitored by their teachers. All work requiring submission will be requested by week 9 so a progress report can be collated for reporting.
